‘Australia’ includes Christmas Island and the Cocos Islands. However, due to the differences in quarantine status of the Australian mainland, Christmas Island and Cocos Islands, all vessels travelling between Australia, Christmas Island and/or Cocos Islands and between Christmas Island and Cocos Islands must submit a new QPAR. ‘Vessel’ includes overseas vessels, installations and overseas installations.

Declarations are to be held on board the vessel for a minimum of 2 years and must be presented for inspection by a Quarantine Officer, on request, at any Australian port.

The granting of quarantine clearance to a vessel does not release its cargo from being subject to quarantine. Goods require separate clearance - AQIS may reply by facsimile unless you state otherwise. (Electronic Transactions Act 1999).
