ANTIGEN TEST AT BONAIRE INTERNATIONAL AIRPORT UPON ARRIVAL

This is how it works:

*Please note that all (extra) costs involved with isolation, quarantine, testing and medical costs are for your account. We strongly advise that you take out travel insurance to cover these costs.

What are the testing requirements for returning to your country of origin? And where can you get tested on Bonaire?
Please check the latest official testing requirements for your country of origin. On Bonaire all regularly needed tests for travel, such as antigen tests and PCR tests, are readily commercially available at:

BonLab/Hestia: <https://www.bonairesafetravel.org/>
Bon Bida: www.bonbida.com/covid-19-pcr-testing-on-bonaire/
Covid Test Bonaire: www.covidtestbonaire.com
