

UNLOCK REAL BENEFITS WITH THE

INCHCAPE GLOBAL OPERATOR SOLUTION

Are you maximising the economies of scale of your fleet? Do you use different agents for the majority of your port calls? Do you have an administration overhead and challenges with communication? If so, your company could be missing out on the significant benefits unlocked when agreeing to a non-exclusive global operator solution.

With the Inchcape Global Operator Solutions you will access:

- ▶ Global discounts on pricing for bunker and transits calls (up to 25%)
- ▶ No prefunding if the PDA is below \$10K
- ▶ A single bank account and monthly SOA's to maximise time optimisation
- ▶ A single contact point for appointments, pre-arrival and post departure admin tasks
- ▶ Further cost optimisation for preferred survey, be it BQS or other surveys
- ▶ Complete operational and financial transparency
- ▶ Comfort knowing Inchcape operates with the highest level of governance and compliance

**All this with a Non-Exclusive Agreement -
You can choose to keep your preferred agents**
