ALL-IN-ONE PACKAGE FOR TAKING BUNKERS OFF FUJAIRAH

Inchcape Shipping Services can provide you with significant cost savings

We combine our highly experienced agency team, own launches and in-house bunker surveyors, to give you an all-in-one package at a discounted rate and via a single point of contact.

The benefits to you:

- Significant cost savings by using a single supplier to cover all services
- No added cost for launch waiting time if the scope of work is extended to include on/off hire Bunker & Condition survey
- Smoother communications through a single point of contact
- Security of working with a partner that meets the highest international standards on QHSEE, ethics and compliance standards on QHSSE and compliance

Additionally, Inchcape's in-house bunker surveyors:

- Will use market standard procedures for the survey
- Will guarantee that a surveyor is on-board for the arrival of the bunker barge*
- Have no affiliation with any bunker suppliers
- Are all highly experienced bunker surveyors and hold certification from the International Bunker Industry Association (IBIA)

*subject to weather conditions

If you are considering taking bunkers off Fujairah, please contact us for a detailed breakdown on how we can provide expert assistance, while saving you time and money.
