

ECUADOR

Inchcape Shipping Services maintains a solid operational presence in Ecuador, a major agricultural export hub in South America with strong containerized, refrigerated, and cruise activity. With ports across the Pacific coastline and strategic links to global supply chains, Ecuador plays a vital role in fresh cargo exports, general cargo flows, and maritime services.

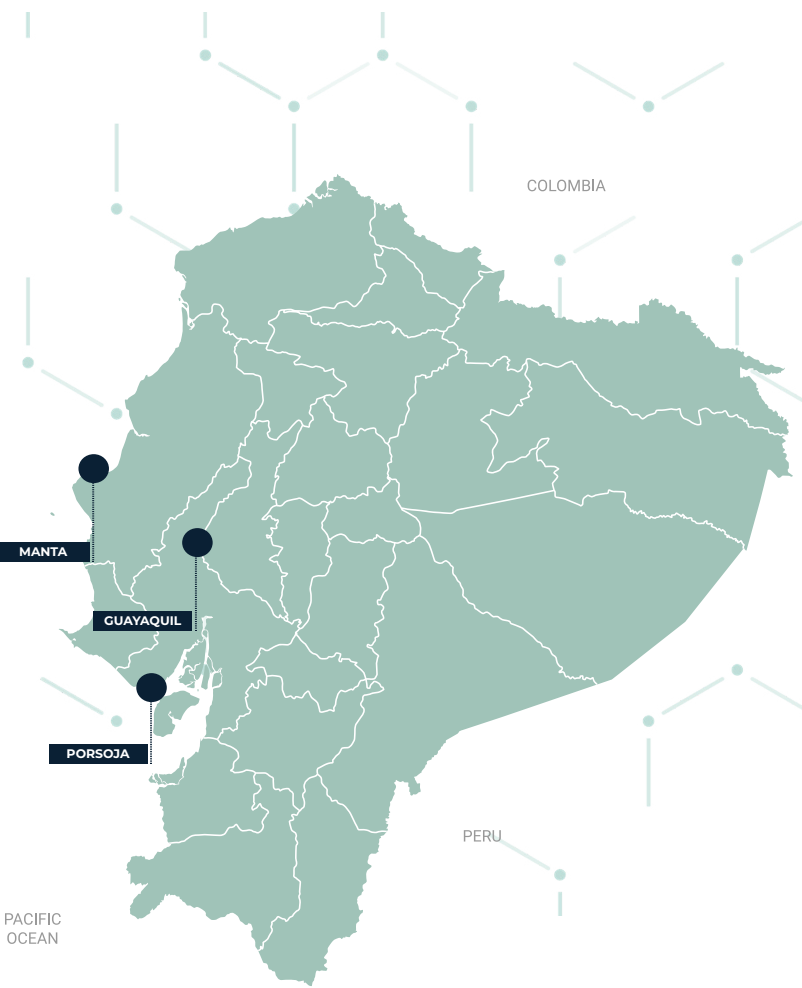

With a nationwide network and experienced local teams, we provide 24/7 responsiveness and seamless coordination across key maritime clusters, ensuring compliance, transparency, and operational efficiency for every port call.

Coverage & Scale:

- 10+ Ports Covered Nationwide
- 3 Offices: Manta, Guayaquil, Porsorja.
- 840+ Vessel Calls Annually
- 17+ Full-Time Employees

Why Inchcape Ecuador?

- **Strategic Coverage:** Inchcape supports container, refrigerated, cruise, and general cargo operations across Ecuador's key maritime gateways including Guayaquil, Manta, and Puerto Bolívar.
- **Deep Local Knowledge:** Strong relationships with terminal operators, port authorities and government bodies
- **Global Standards:** Backed by Inchcape's worldwide network, compliance framework and transparent reporting
- **Operational Expertise:** Experienced teams coordinating port agency, crew logistics, bunkers and marine services
