

PERU

Inchcape Shipping Services has a long-standing presence in Peru one of South America's most strategically located maritime nations, with a strong port infrastructure supporting mining, energy, fishing, and large-scale commercial operations.

With a nationwide network and local operational presence, we are strategically positioned to support customers across Peru's main maritime hubs. Our coverage ensures 24/7 responsiveness and efficient coordination for all vessel operations.

Coverage & Scale:

- 17 Ports Covered Nationwide
- 4 Offices: Salaverry, Pisco, Callao, and Mollendo
- 580+ Vessel Calls Annually
- 11 Full-Time Employees

Why Inchcape Peru?

- **Strategic Coverage:** Serving Peru's key commercial, mining, fishing and industrial ports
- **Deep Local Knowledge:** Strong relationships with terminal operators, port authorities and government bodies
- **Global Standards:** Backed by Inchcape's worldwide network, compliance framework and transparent reporting
- **Operational Expertise:** Experienced teams coordinating port agency, crew logistics, bunkers and marine services
