| OneCape DA – External Release notes | |
| Release: | V12.5.0 |
| Delivery: | 25/01/2026 |

Features & Improvements:

1. Align unit cost information between OneCape Hub and OneCape DA for “Crew Shore Transportation” and “Crew Hotel Accommodation” services

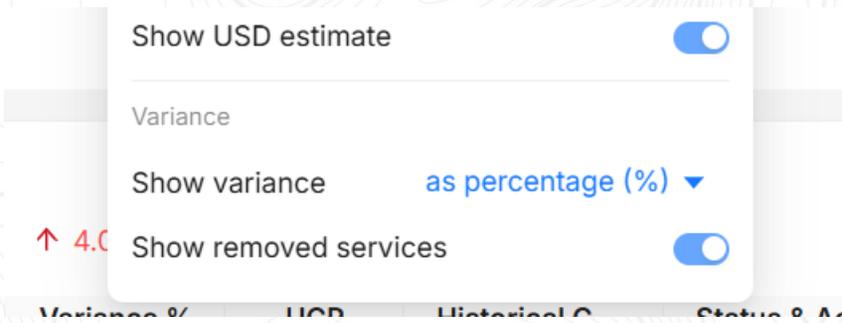

On “Crew Shore Transportation” and “Crew Hotel Accommodation” services, the LPA user can add multiple unit cost lines but in OneCape DA it is only visible on one of these lines. This has now been improved to show the multiple unit cost lines added by the LPA.
