

BRUNEI

Inchcape Shipping Services has a long supported a reputable customer base trading in and out of Brunei, and we are now officially established locally to serve our clients even better. Leveraging our global offshore and marine logistics expertise, we are ready to deepen our involvement in the country's Ship-to-Ship (STS) operations and offshore projects, providing safe, compliant and efficiently coordinated solutions from planning through execution.

With office in Brunei Darussalam, we are strategically positioned to support customers across Brunei's major shipping and industrial hubs. Our coverage ensures support for vessels across all segments, delivering efficient turnaround and seamless coordination—every time.

Why Inchcape Brunei?

- **Strategic Coverage:** Presence at Muara port and Kuala Belait port ensures seamless coordination for liner, tanker and project calls serving Brunei's trade and offshore energy activities
- **Local and regional oversight:** Managed by an experienced local team that understands national regulations, port practices and stakeholder landscape. Operations are further supported by a wider Malaysia based management and operations hub, providing additional commercial coverage
- **Offshore and STS capability:** Services include Ship-to-Ship (STS) coordination and offshore agency support, helping charterers and operators manage high-safety, time sensitive cargo transfers with consistent reporting and compliance

Coverage & Scale:

- Covers 2 Main Ports of Brunei: Muara and Kuala Belait Port, these including Lumut (BLNG) and Seria (Scott Terminal)
- Jointly taken care by Malaysia and Brunei teams
